

AGREEMENT

This agreement concerning the Southwest Missouri Amatuer Radio Club antenna tower to be erected on Red Cross property at 1211 South Glenstone is entered into by the Greene County Chapter, American Red Cross and Southwest Missouri Amatuer Radio Club.

The 50-ft. tower is to be furnished by the Southwest Missouri Amatuer Radio Club and erected for permanent installation. In the event the Southwest Missouri Amatuer Radio Club decides to move to a different location at sometime in the future, the tower, all bracketry and associated cabling is to remain as Red Cross property.

The current Red Cross radio tower installed at 1730 East Portland is to be sold with proceeds split 50-50 between the American Red Cross and Southwest Missouri Amatuer Radio Club to help pay for installation cost of the new tower and antenna system.
